Note: If you have a junior permit or answer NO above, download a P650 form, fill it out and bring it on the day. This can be downloaded from the NSW Police Firearms Registry website – search for *Forms* and the P650 is under the heading *Clubs.*

SAFETY DIRECTIONS

ANZAC Rifle Range Standing Orders stipulate that no bolts are to be in rifles unless on the firing point for the purpose of shooting. If you cannot remove the bolt of your rifle eg pump or lever-action, you must have the action open with a chamber safety flag (available on the mound for a gold coin Legacy donation) inserted when not on engaged in shooting. At all times on the range uncased rifles are to pointed downrange and never directed at any person.

I hereby undertake to **abide by the rules of the match and all directions of range staff** during the match and stay for the duration of the activity. I also give the organiser **permission to photograph or make video footage** of my participation for future publicity purposes. I acknowledge receipt of an application for a voucher redeemable at Safari Firearms.

Fill in the blank below to qualify for award of a Safari Firearms Gift Certificate for a scoped Howa .308 Varminter rifle.

At ANZAC Rifle Range you cannot insert your rifle's …. before you are on the firing point.
